

# New distributor for Montabert

15 July, 2010 - 16:14

BERKSHIRE-based Promac Solutions Ltd have been appointed as new authorized dealers for the full range of Montabert breakers and demolition equipment in south-east England, covering London, Hampshire, Berkshire, West Sussex, Surrey, Middlesex, Buckinghamshire, Oxfordshire, East Sussex, Kent, Essex, Bedfordshire and Hertfordshire.

Andy Goddard, UK sales manager for Montabert, said: 'We are very impressed with Promac's expertise in the excavator market, which provides an excellent platform for selling the Montabert range. We are looking forward to a long and fruitful partnership with Promac in the South East.'

The Montabert range offers tools for use on machines ranging from compact loaders to 90-tonne excavators, with a comprehensive selection from hydraulic breakers, crusher buckets, rotating and fixed pulverizers, handling grapples, screening buckets and hydraulic steel shears, covering every application in demolition and recycling from primary and secondary demolition to handling, sorting and recycling.

Formed in 2006, Promac Solutions Ltd are suppliers of new and used plant and machinery for earth-moving, construction, demolition and recycling. The company operates from a new purpose-built depot and showroom near Aldermaston in Berkshire, with easy access to the M4 and M3.
